Dear Mike,

Enclosed is a present for you. Perhaps you would like to put it towards fishing gear, which will enable you to make a big catch!

We cannot begin to tell you how much we appreciated your help and consideration during our stressful time.

Thank you for all you did, particularly with the kitchen and in sorting out our problems with the double glazing and decoration.

Your help has been invaluable and almost too numerous to mention. You supplied us with an excellent team, they were good workers and extremely kind and thoughtful.

Their attitude to us was exceptional, and we soon came to think of them as friends; so much so that we now miss them in our home.

Will you please tell them that they are always welcome (including yourself) to drop in, and if given notice, we will be sure to have a cake in the house!

Yours sincerely,

Pauline
